Mahalo!

A big thank you to Julia Pace, who has volunteered to take over the Membership Chairman responsibilities that Pat Dinsman has been handling in addition to her Gallery Chair duties. This will be a big help.

The Firehouse Gallery is the most visible project of the Waimea Arts Council and is located in the heart of downtown Kamuela in South Kohala's historic old fire station, at the crossroads of Mamalahoa Highway and Lindsey Rd. (Hwy. 19 and 190), across from the Waimea Chevron.

Gallery is open Wednesday-Friday and Sunday, 11 am to 3 pm, and Saturdays 9 am to 3 pm. There is plenty of free parking behind the building.

December Back Gallery Shows

There are openings in December for 4 more artists to have small solo shows in the Back Gallery. Please contact Pat Dinsman at pldinsman@hawaii.rr.com if you are interested. This is open to members who have been volunteering regularly and is a great way to showcase your art in a space of your own.

Next board meeting will be on Sat., July 25 at 1:30 pm. Any member of WAC is welcome to attend board meetings. If you have a subject you wish discussed, please contact Amaury.

Protecting Your Artwork

Just a reminder that the fire and theft insurance carried by the Waimea Arts Council does not cover any artwork that is on display. This is typical of most galleries.

WAC makes every attempt to keep artwork safe and unharmed, but there was an attempted break-in during the past month. Some damage to the back door has been repaired, the door jam has been reinforced and the windows are being secured. Police were also notified.

Exhibiting artists are responsible for carrying their own insurance if they feel it is necessary.
