In the Firehouse Gallery Front Gallery "Summer Fun" and "Fire and Ice"

June 28 - July 29, 2017

In celebration of summertime, the Firehouse Gallery is presenting "Summer Fun" during the month of July.

Staying true to our historical heritage, we will kick off the exhibit by having the Waimea Fire Department parking their fire engine at the gallery on Saturday, July 1 from 10 am to noon.

Fun events will include: touring and sitting on a real fire engine, fire safety prevention for kids and adults, and mini art projects for the youngsters.

"Fire and Ice"
Sat., July 1
Fire - 10 am - noon
Shave ice till 1:30

Additionally, the Waimea Arts Council will provide free shave ice in various flavors until 1:30 pm.

From June 28 - July 29, come see our local artist's creations depicting fun and activities at the beaches, Waimea's 4th of July rodeo, or the simple pleasures of a summer day.

All WAC members are local artists and many different mediums will be represented, including paintings, jewelry, sculpture and much more.

Come and enjoy some "Fire and Ice" and "Summer Fun"!

The Firehouse Gallery is the most visible project of the Waimea Arts Council, an all-volunteer non-profit organization that sponsors programs, exhibits and education related to the arts. It is strategically located in the heart of downtown Kamuela in South Kohala's historic old fire station, at the crossroads of Mamalahoa Highway and Lindsey Rd. (Hwy. 19 and 190), across from the Waimea Shell Station. Exhibits change monthly. The gallery is open Wed.-Fri. and Sun., 11 am to 3 pm, and Sat., 10 am to 3 pm. There is plenty of free parking behind the gallery.

In the Firehouse Gallery Back Gallery "Anything Goes"

May 10 - July 29, 2017

During most of June, the back gallery continues the exhibit of "Anything Goes". This allows WAC members to exhibit their favorite works on any subject and in all mediums. Come and see what the artists want to share.

Origins...

It is appropriate that we celebrate with a fire engine at the Firehouse Gallery to kick off our summer show. It takes us back to the roots of our current space.

In 1978, the Waimea Arts Council was granted 501(c)3 nonprofit status by the IRS and also began searching for a location for an Arts Center. At that time, the corner where we are now situated consisted of 5 buildings housing the tax collector's office, courthouse and jail, fire station, firemen's bunkhouse, and the fire chief's residence.

In 1980, when it was decided to relocate these functions to the current location across from Church Row, the state agreed to lease the fire station and bunkhouse buildings to WAC for a small monthly fee. In exchange, WAC agreed to maintain the entire lawn and the two buildings they utilize as an art gallery and office.

In the late 1990's, a group of citizens sought historic site recognition for the area. Although not successful at that time, they did persuade the county to name the area Waimea Historic Corner Park. According to county records, however, the corner has never been designated a park.

Mahalo to our Volunteers

The following members volunteered during the month of June:

Docents: Pat Dinsman, Marty Allen, Carolyn Lancaster, Merna Watta, Chris Kutler, Marie Kinchla, Julie McCue, Judith Wilson, Marc Scichitano, Terry Bensch, Alissa Mattson, Janice Gail, Norma Watt

Other: Jay West, Julie McCue, Irina Place, Pat Dinsman, Bernt Grundseth, Corey Humphrey, Christian Marinello, Patricia Marinello

Volunteers Needed

These are great projects for those who work full time and are unable to docent. It's an alternative way to fulfill the volunteer requirement. Contact Pat Dinsman at pldinsman@hawaii.rr.com for info.

1. We are still in need of a **Workshop Coordinator**. It involves finding people who would be willing to put on a workshop on any art-related subject and scheduling them, while coordinating with other scheduled events in the gallery.
2. We have a number of upkeep projects in the works, especially repainting the outside of the building. Looking for persons who would be willing to help out both by using a roller for the red area and painting the trim with a brush. Since the schedule will be weather-dependent, please let Pat know if you would be interested and she will work to set up appropriate dates.
3. We are looking for ideas and suggestions for getting more people to come into the gallery, and we need people to implement these ideas. If you have an interest in marketing, your help would be most welcome.

The next WAC Board of Director's Meeting will be Saturday, July 8 at 1:30 pm in the bunkhouse. If you have anything you would like discussed, please contact any board member prior to that date.

Calling all WAC Photographers and Other Artists...

Artists' Get-Together July 9

The monthly Artists' Get-Togethers will continue with the third one on Sunday, July 9 at 3:30 pm. Seven people attended in June and discussed photo tips for low light and nighttime situations. This monthly event will occur on the 2nd Sunday of each month. It is open to all members and will be held at the gallery after it has closed for the day.

The July session will begin with suggestions on how to present your artwork for selling. Discussion on all aspects of art is the point of these get-togethers.

There is no charge. Please bring a snack - ice tea will be available. It isn't necessary to sign up ahead, but it would be helpful to have an idea of how many are coming.

As said before, this is planned to be a monthly event for all types of artwork, including photography. All artists working in any medium are welcome. If you have a subject you'd like covered in future sessions, let us know.
