There is plenty of free parking behind the gallery.

## Calling all WAC Photographers and Other Artists...

Due to the success of the first Artist Get-together on May 7, there will be a second one on Sunday, June 11 at 3:30 pm. 9 artists attended the first one and the plan is to make it a monthly event to be held on the 2nd Sunday of each month. It is open to all members and will be held at the gallery after it has closed for the day.

The June session will begin with Bernt Grundseth giving photo tips for night and low light situations. Next, Pat Dinsman will talk about what gives your art a better chance of selling. Anyone with further suggestions on these subjects is welcome to share them - discussion is the point of these get-togethers.

There is no charge. Please bring a snack - ice tea will be available. It isn't necessary to sign up ahead, but it would be helpful to have an idea of how many are coming.

As said before, the hope is to make this a monthly event and it doesn't have to be all about photography. All artists in any medium are welcome. If you have a suggestion of a subject you'd like covered in future sessions, let us know.

Any questions? Ask the coordinators:

## Volunteers Needed

1. We are still in need of a **Workshop Coordinator**. This would be a great job for someone who wants to fulfill their volunteer requirement if they have art on display in the gallery, but is unable to docent. The project simply involves finding people that would be willing to put on a workshop on any art-related subject and scheduling them, and coordinating with other scheduled events in the gallery.
2. We have a number of upkeep projects in the works, especially repainting the outside of the building. Looking for persons who would be willing to help out both by using a roller for the red area and painting the trim with a brush. Since the schedule will be weather-dependant, please let Pat know if you would be interested and she will work to set up appropriate dates.
3. Pat Dinsman is looking for volunteers to help out with the Helen Cassidy Show, which will be held in October. We'll need people to help take in entries. It's a great way to gain experience in putting on a show, and learn what is involved.

Please contact Pat Dinsman at [pldinsman@hawaii.rr.com](mailto:pldinsman@hawaii.rr.com) if you are interested in either of these areas.
