## Aloha 'Āina, Love of the Land

Our Aloha 'Āina Show, celebrating the Love of the Land closed September 25th. Each year, The Aloha Festival picks a theme, with 2022 being described as follows: "The foundation of Aloha 'Āina is a reverence for the 'āina (land) as a venerated ancestor. Subsequently, we collectively have kuleana (a responsibility) to care for the land from whom we receive nourishment. Aloha 'Āina teaches us that caring is reciprocal: if we care for the land, the land will care for us. Aloha 'Āina further imparts that reciprocity grows exponentially with time.

The more we care for the land now, the greater care the land will have for our descendants. This same love for the land exists throughout the world and is an affirmation of our humanity. As we celebrate our love for these islands we call home, we invite you to Aloha 'Āina in your part of our world community. E Aloha 'Āina Pū Kākou! Let's all get active in caring for the land!"
