

Gallery of Artists and Website Invitation to Participate

The Firehouse Gallery displays a “Gallery of Artists” to introduce visitors to gallery members and their work. The artist’s picture, artistic medium, contact information, a short artist’s statement, plus 3-4 pictures of the artist’s work are displayed on a single page. We encourage you to participate in this project! There is no charge for the creation of this page.

In addition, you have the opportunity to have yourself listed on our web page, waimeaartscouncil.org. The page that is created for you for the Gallery of Artists will be used and attached to our “Artists” page. The only additional requirements are a **one time** payment of \$25 payable to Waimea Arts Council and one photo of a piece of your art (along with title and media) that you would like featured with your name. This photo must be submitted to Julie McCue, jmccue@hawaii.rr.com in digital format in a size of at least 1200 pixels wide or high. This can be an additional photo to the ones you send to Susan for the page.

To be included you must supply the following information and resources. These will be formatted into a consistent one-page design for all artists. Please print clearly or type the information on another sheet or into an email.

1. Who you are

Name:

Medium:

Phone:

Email address:

Website address, if any:

2. Artist’s statement

Submit a 100-150 word “Artist’s Statement.” You might discuss the medium you use, your subject matter, and/or your artistic vision or the purpose of your work. Space is very limited so please be concise and edit to fit the 100-150-word limit.

3. Photo of yourself

Submit a photo of yourself. It can be submitted as an actual photo (not to be returned) that can be scanned, or as a digital .jpg or .tif file that can be emailed to Susan Harris (see below). A digital file is much preferred! The photo should be at least 2x3 and saved at 300-400 pixels per inch.

4. Photo(s) of your artwork

Submit at least 3 to 4 photos (digital files) of your work. These will fill the lower 2/3rds of a single, 8.5 x 11 page, in vertical format. You may include captions if you wish (e.g., name, size, and/or medium). Images should be approximately 4x6 and saved at a resolution of 300-400 pixels per inch. With the vertical format, it’s easier to fit all horizontal images or a mix of horizontal and vertical images than it is to fit all vertical images.

5. How to submit

Please submit all 4 items listed above by emailing them to Susan Harris at susharris43@gmail.com. Photos should be attached as .jpg or .tif files. Also contact Susan if you have any questions about the process or what to submit. Susan will email you a proof before your profile goes to the gallery or web.

Thank you for helping us to introduce you and your art to those who visit our gallery!
